

Muthurangam Government Arts College (Autonomous)

Department of Library

Conference Report

UGC Sponsored National Level Conference on **Libraries For Today and Tomorrow (LFTT): Challenges and Opportunities** on 21st July 2017 (Friday) in Vellore, Tamil Nadu was organized by Department of Library jointly with MALA (Madras Library Association). The conference went well. In the history of Muthurangam Government Arts college, Vellore, the first ever National Level Conference organised by Department of Library.

The conference has witnessed overwhelming responses from academicians, Librarians from various colleges and Research scholars. There were about 55 delegates that represented from various states such as Karnataka, Andra Pradesh and Tamil nadu. Out of 55 delegates, 37 delegates have presented research papers and all of them were unique and very informative. The Registration started from 9.00am to 10a.m. The inaugural session of the conference on 21st July started at 10a.m. In the beginning of conference, Dr. K . Kumaresan had delivered a welcome speech. A brief note about the objective of conference was conferred by convenor of conference. Followed by, the Conference was headed by Dr. Sugirtha Rani Julina Principal and Regional Joint Director (In charge) vellore Division and Dr. Ezhilan, Controller of Examination have delivered a presidential address and they highlighted about the conference.

Then, Prof .Dr. Maria Antony Raj, Principal, Sacred Heart College, Tirupattur, who delivered a special address in the conference, has motivated and also stressed that the 21st century libraries have opened the door for providing knowledgeable human resources. The knowledgeable human resource is meant that who would give an answer to the user's questions.

Mr. Venkataramani, Ex- Documentation officer / Library Facility, ISRO, Sriharikota, Andra Pradesh had delivered a key note address. He underlined that the conference topic was energetic and it has also embedded about the issues of libraries in upcoming days.

Dr. S. Sridharan, Associate Professor & Member –Library Advisory Committee gave a vote of thanks for the Inaugural session of the conference. He also appreciated that the

efforts taken, in spite of being alone in the Library Department, in bringing resource person across the state altogether are very difficult task.

The second part of the event began after a tea-break. The first technical session –1 had two invited speakers. The first technical session was chaired by Dr. Mahindra Jadhav, Librarian, Indian Institute of Technology- Madras, Chennai and Reported by Dr. Kothandaraman, College Librarian, Government Arts College (Men), Autonomous, Nandanam, Chennai -06. They were facilitated with memento and shawl by Dr. K. Kumaresan, Convenor and Dr.Sreedaran, Member- Library Advisory Committee, Associate Professor –Department of Commerce. The main theme of the session was “Library and Information Sources and Services”. The session had around 8 papers. The chair person of the session emphasised that the sources were transformed in to various format which is boundless. He threw a light on how Indian Institute of Technology –Chennai library handles the electronic resources while delivering service to users. A delegate stressed that acquisition, managing of electronic resources in academic libraries faces a big challenge. The session was quite flourishing and the participants were gripped by the brief speeches of chair person and rapporteur.

The second technical session of the event was resumed at 1.45pm after the lunch break 12.45pm to 1.45pm. The session was chaired by Dr. B. Jeyapragash, Asst. Professor, Department of Library and Information Science, Bharathidasan University, Tiruchirappalli and the rapporteur was Dr. R. Senthil Kumar, Senior Librarian, Christian Medical College, Vellore. They were facilitated with memento and shawl by Dr. K. Kumaresan, Convenor. There were 28 papers being contributed for this session. The main theme of the second technical session was Library Information tools and techniques and Library Trends Dr. B. Jeyapragash spoke on “ Library recent trends and technologies” He focused on the recent technologies , which are now playing important role in information management that is collection, storage, organization, retrieval and dissemination of information. He also conveyed that the technology adopted libraries can do better management of information and also able to provide the library services on time without any geographical barrier. Dr. Ramasamy, one of the presenter, questioned that the utility of resources are seems to be remain questionable. Finally, Dr. Senthil Kumar,rapporteur answered that the proper guidance to the users are required in order to achieve the usage of e-resources effectively.

The third technical session started at 3pm and ended up at 4.15pm. The session had 2 invited speakers – Dr. Vijayakumar K. P. , Former Associate Professor and Head, Department of Library and Information Science & Hon.Director, Centre for Information Literacy Studies, University of Kerala, Thiruvananthapuram, Mr. Janarthanan, Librarian, Madras Medical College, Chennai. They were facilitated with memento and shawl by Dr. Siva Sankar, Asst.professor, Department of Economics. The session main theme was “Library access, space and preservation”. Dr. Vijayakumar underlined that libraries over the centuries have been designed to hold the collective intellectual wealth of the times. And he also pointed out that they have been symbols of wealth and power, as well as centers of enlightenment and education. Mr. Janarthanan highlighted that space constraints are real challenges for libraries.

Dr. K. Kumaresan , the convenor of conference thanked all the distinguished speakers for sparing their valuable time and making the event a grand success.

The valedictory function started after a tea break. In the valedictory session we had Dr. R.Sugirtha Rani Julina, Principal and Regional Joint Director I/C (Vellore) and Dr. G. Ezhilan, Controller of Examination for presidential address and Dr. P. Vinayagamoorthy, University Librarian, Thiruvalluvar University, Serkkadu, Vellore as the valedictory addressee. Dr. P. Seenuvasakumaran, Associate Professor, Department of Physics, for address of felicitation and distribution of certificate. Dr. Vinayagamoorthy, gave an excellent valedictory speech on how books can be influenced sources in every one’s life. He also pointed out that how to enrich the reading habits among the users. Dr. P. seenuvasakumaran highlighted about the usage of textbooks in the college libraries. The session ended with vote of thanks by Dr. K. Kumaresan, College Librarian, Convenor, who thanked all the participants, resource persons, chairpersons, Guests across the country for giving us their valuable time and making this conference a grand success. He also thanked the sponsored of University Grants Commission, whom it could not have possible to organize this conference and also thanked MALA (Madras Library Association) for helping in marketing and communication about the conference. The vote of thanks extended to who helped everyone particularly, Principal, Dr. Sreedaran, Associate Professor in Commerce ,Library Advisory committee Member, Dr. Radhakrishnan, Head of the department, Department of Economics and his department faculties, Prof. bobby Raja kanthi, Head of the department , Department of English and her department faculties and students, Dr. SivaSankar, Prof, M.Thirunavukkarasu, Asst.Professors in Economics Dr. P.Prabukanthan Asst.Professor in Chemistry, Prof. V. Ravichandran, Library Advisory Committee Member NCC cadets. A vote of thanks extended to all who helped us directly and indirectly.

DEPARTMENT OF CHEMISTRY

Report on one day state level workshop on **Catalytic, Magnetic and Electrical Properties of Materials** held on 28-02-2018 in commemoration of national science day celebration.

The one day state level workshop was funded by **University Grant Commission** (UGC) autonomous grant. The workshop inaugural function started with the welcome address by **Dr. K. Geetha**, Head of the Department of Chemistry, followed by the presidential address by **Mr. S. Chandrababu**, HOD, Department of Zoology and inaugural address by **Dr. M. Valarmathi**, Regional Joint Director of Collegiate Education, Vellore Region, Vellore – 632 006.

The first session of the workshop was energetic session which was addressed by the resource person **Dr. C. Sivasankar**, Professor, Department of Chemistry, Pondicherry University, who gave an interesting lecture on principles and applications of organometallic chemistry. The talk instigated reasonable thinking towards the development of research on organometallic based compounds.

Dr. P. Seenuvasakumaran presented a lecture on theory and experimental procedure of Guoy balance and Hall Effect measurements in the second session. This session was highly interactive with participants on basic topic of magnetic, electrical and mobility of electron.

Then for third session, **Mrs. D. Chitra** was the resource person who discussed on how to transform students from institution to industry.

After these sessions we had a demo session coordinated by Physics and Chemistry department professors of our college. The demo session mainly focused on how to handle and operate Guoy balance, Hall effect measurement, UV-Vis and Infra-red spectrophotometers and cyclic voltammetry (CV).

Dr. P.Prabukanthan, Workshop Co-ordinator thanked all the distinguished speakers for sparing their valuable time and making the event a grand success.

Details of participants on the workshop

17 faculties from outside college, 17 faculties from Department of Chemistry and 15 faculties from PG and Research Departments of Muthurangam Government Arts College attended the workshop. Totally 147 Chemistry students from 11 Colleges of Vellore, Thiruvannamalai districts and 04 students of Physics from Muthurangem Government Arts College have participated in the workshop. (Totally 200 delegates have participated in the workshop).

DEPARTMENT OF PHYSICS

Faculty members, Research Scholars and Rural students of different colleges in and around Vellore, will be benefited by this Science Academic Lecture Workshop On “**Emerging Trends in Physics**” explains Fiber optics, basics of Fluorescence, Nanoscience, Nanotechnology, Glass Science & Laser Technology. The aforementioned lectures will be useful to the rural participants to plan their higher education. This workshop will pave the path to rural students in and around Vellore district in order to promote their knowledge in emerging trends in physics. In addition, participants could acquire an opportunity to interact with subject experts and share their ideas in various sessions of seminar.

Faculty members, Research Scholars and Rural students of different colleges in and around Vellore, will be benefited by this Science Academic Lecture Workshop On “2nd International conference on Recent Advancement in Materials Science” explains Fiber optics, basics of Fluorescence, Nanoscience, Nanotechnology, Glass Science & Laser Technology. The aforementioned lectures will be useful to the rural participants to plan their higher education. This workshop will pave the path to rural students in and around Vellore district in order to promote their knowledge in emerging trends in physics. In addition, participants could acquire an opportunity to interact with subject experts and share their ideas in Conference.

Subject categories includes in Materials Characterization and Molecules, Physics of Spectroscopy for Materials, Crystal Growth, NanoScience and Technology, Energy Materials, Functional Materials, Composite Materials, Laser Materials, Solar Cell, Polymer Materials, Smart Materials, Environmental and Green materials, Ultrasonics, Novel Organic and Inorganic Materials, Energy Conversion and Storage Materials.

DEPARTMENT OF ECONOMICS

Department of economics during the academic year 2020 dated on 05-10-2020 to 10.10.2020 Title on “SIX DAYS ONLINE RESEARCH METHODOLOGY WORKSHOP IN SOCIAL SCIENCES FOR Ph.D SCHOLARS” online webinar have been conducted the programme organization secretary Dr.V.SIVASANKAR presidential address given by Dr.G.Jayasankar head of department economics and chief guest of the programme Dr.Madeswaran, Professor, Former Director, Institute for Social and Economic Change, Bangalore. In this programme participants’ total 85 members. Vote of thanks given by Dr.M.Thirunavukkarasu assistant professor Department of Economics.

Department of economics during the academic year 2020 dated on 25-07-2020 Title on “NATIONAL WEBINAR ON N LIST RESOURCES FOR RESEARCH ORGANIZED” online workshop have been conducted the programme organization secretary Dr.V.SIVASANKAR presidential address given by Dr.G.Jayasankar head of department economics and chief guest of the programme Dr. Kumerasan, Librarian, Muthurangam Government Arts college Vellore. In this programme total participants’ 65 members. Vote of thanks given by Dr.V.J.R.EMERLSON MOSES assistant professor Department of Economics.

Department of economics during the academic year 2020 dated on 29-07-2020 Title on “NATIONAL LEVEL WEBINAR ON TIPS FOR COPING WITH STRESS AND DEPRESSION DURING COVID-19 RESOURCES PERSONS ORGANIZED” online webinar have been conducted the programme organization secretary Dr.V.SIVASANKAR presidential address given by Dr.G.Jayasankar Head of Department Economics and chief guest of the programme Dr.Arun, Assistant Professor, Department of Economics, Nandam Government Arts, Chennai. In this programme total participants’ 75 members. Vote of thanks given by Prof.K.R.Saravanan assistant professor.

Department of Economics during the academic year 2020 dated on 08-06-2020 Title on “NATIONAL LEVEL WEBINAR ON SCIENTIFIC APPROACH TO COVID-19” online webinar have been conducted the programme organization secretary Dr.V.SIVASANKAR presidential address given by college principal and chief guest of the programme Dr. Geetha, HOD and Associate Professor Department of Chemistry, Muthurangam Government Arts college Vellore. In this programme total participants’ 90 members. Vote of thanks given by Prof.J.Kosal Ram Assistant Professor Department of Economics.

Department of economics during the academic year 2020 dated on 01-11-2020 Title on “NATIONAL LEVEL WEBINER ON HISTORY AND CULTURE OF JAMMU & KASHMIR” online webinar have been conducted the programme organization secretary Dr.V.SIVASANKAR presidential address given by college principal and chief guest of the programme Dr.Jaganathan, Assistant Professor Department of National Defence Study, Central University of Jammu. In this programme total participants’ 80 members. Vote of thanks given by Dr.G.Jayasankar head of department economics.

Department of economics during the academic year 2020 dated on 01-05-2020 Title on “NATIONAL LEVEL WEBINER ON PANEL DISCUSSION ON CURRENT UNION BUDGET 2020-21” online webinar have been conducted the programme organization secretary Dr.V.SIVASANKAR presidential address given by college principal and chief guest of the programme Dr.Bhuvaneswari, HOD,& Assistant Professor Department of Economic, Government Arts college For Women, Namakkal and Dr.Arun, Assistant Professor Department of Economic Nandanam Government Arts college Chennai . In this programme total participants’ 55 members. Vote of thanks given by Dr.G.Jayasankar the Head of Department Economics.

Department of economics during the academic year 2020 dated on 02-06-2020 Title on “PANEL DISCUSSION ON CURRENT UNION BUDGET 2021-22” online webinar have been conducted the programme organization secretary Dr.M.Thirunavukkarasu presidential address given by college principal and chief guest of the programme Dr.J.V.Arun, Assistant Professor Department of Economics Nandanam Government Arts college Chennai. In this programme total participants’ 36 members. Vote of thanks has given by Dr.G.Jayasankar the Head of Department Economics.

Department of Economics during the academic year 2021 dated on 11-12-2021 Title on “PANDEMIC PERSPECTIVES REFLECTION’S ON THE POST COVID WORLD” online webinar have been conducted the programme organization secretary Dr.M.Thirunavukkarasu presidential address given by college principal and chief guest of the programme Dr.S.Janakiraman Assistant Professor Department of Economics Government Arts college (A), Coimbatore. In this programme total participant’s 65 members. Vote of thanks given by Dr.G.Jayasankar the Head of Department Economics.

Department of Computer Science

Our department organised one International Level Webinar on the topic “Digital Transformation – The NEXT Normal” through Webinar on 5th September 2020. The Resource Persons are 1. Mr.SunilKannan , Vice President, Barclays Bank, United Kingdom, 2. Mr. Nadeem Shaik, Enterprise Solution Architect, CTS, India, and 3. Mr. Srinivasan , System Architect , Verizon India Ltd., India. They delivered speech about Industry Revolution, Digital Transformation, Digital Changes in Buisness, Drivers shaping Fintech, Pharma and Technologies eco system supporting change. More than 100 participants are attended this webinar.

Our department organised a National Level Webinar on “Machine Learning for ALL “ through webinar on 1st July 2020. The Resource Person Dr. J. Anuradha, Associate Professor , School of Computer Science and Engineering , VIT University, Vellore, Tamilnadu , delivered speech about the Introduction to Machine learning, Supervised Learning , Unsupervised Learning and Reinforcement learning. More than 200 participants are attended this webinar.

Our department organised in association with Pantech E-Learning on the topic “Deep Learning with Tensor &KerasApplicational Approach “ through webinar on 3rd July 2020. The Resource person Mr. Saravanan delivered speech about the Machine Learning, Deep learning and Machine Learning Tools. More than 200 participants are attended this Webinar.

Our department organised a National Level Webinar on “Digital ID/Publishing Articles in Peer Reviewed Journals “ through webinar on 13 July 2020. The Resource Person Dr.S. Selvakani, Assistant Professor and Head , Department of Computer Science, ThiruvalluvarUniversuty College of Arts and Science, Arakonam, Tamilnadu , delivered speech about How to Publishing Articles in Peer Reviewed Journals. More than 600 participants are attended this webinar.
