**Programs organized by our college for the promotion of gender equity:**

1. The “Women’s Development Cell” hosted Online Quiz on General Knowledge and Image Identification from 25<sup>th</sup> to 30<sup>th</sup> July 2020 with more than 100 participants on each and every day includes School students, College Students, Teaching staff and non-Teaching staffs. The Online Quiz completely filled with multiple choice questions which made the students to take up enthusiastically. The e-certificate has been provided for the participants who scored the task points. The question includes the topics on General Knowledge and Image Identification and it describes the contemporary aspects of gaining knowledge on the modern era. Each and every day we have very maximum registration and that provokes with high inspiration to the online quiz.

This opportunity enables active gathering in a new platform which provided more added value to the segment. Knowing and understanding the current affairs built more confident and empowered our skill. Thus, the online quiz created a great platform to enhance the skills.

2. The “Women’s Development Cell” proudly set up a National Level Webinar on Gender Sensitization of Young Minds in an Evolving Society 29<sup>th</sup> July 2020 with more than 500 participants from all over India, as majority Girl students took part effectively.

- i. As a high priority the need of this webinar describes mandate to safeguard the constitutional rights of women. In keeping with its mandate, the Commission has, from time to time taken various initiatives for gender awareness and sensitization in the society regarding rights of women. It has been experienced that gender-based discriminations exist in all walks of life and every part of society, including everyday interactions at the workplace and public space.
- ii. Gender Sensitization, inculcating values of equality, inclusivity and diversity, which are essential for building a healthy society among the adolescent boys and girls. Moreover, knowledge of laws relating to women and gender sensitization is not only crucial for balanced development of young minds; it will also help students in building correct values, self-discipline and national spirit.
- iii. The module on Gender Sensitization presents a compilation of information on gender awareness, bringing forward the distinction between sex and gender whilst defining other gender related terminology. The module reflects upon the ways in which gender and other gender related terminology are socially constructed and the important role that education can play in sensitizing the people to change their mind set.
- iv. Sensitizing adolescent girls and boys towards existing gender inequalities. With understanding comes ability to bring about attitudinal changes towards Gender based violence. The terminology was discussed in positive affirmatives.
- v. During the Webinar, Gender roles are sets of behavior, roles and responsibilities attributed to women and men that the culture defines as appropriate for men and women. Thus, gender roles include behaviors and choices that are associated with being male or female.
